

When is it okay to TALK about SEX?

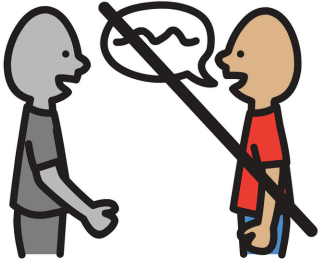

Sometimes, people think about sex or love

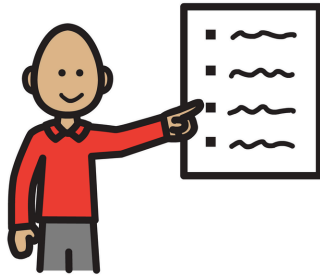

Sometimes you might think about a person's body or private parts

It's okay to think about this

it's not okay to talk sex or private parts in public

It's against the rules

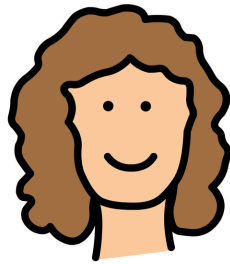

don't talk about sex or private parts at school

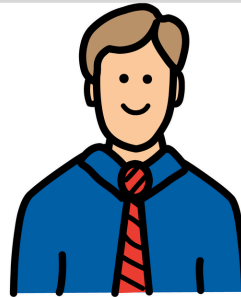

Don't talk about sex or private parts in stores

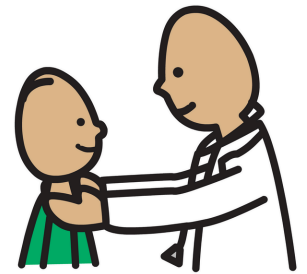

It's OKAY to talk at home

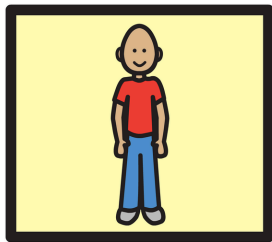

Mom can answer questions

Dad can answer questions

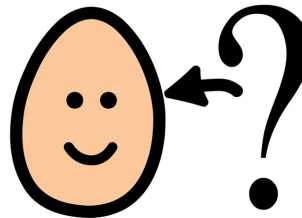

Your doctor can answer questions

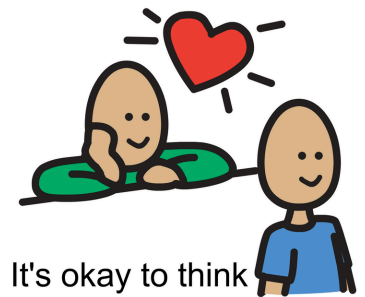

Sex and private parts are personal topics

Don't talk about sex or private parts with your friends

It's okay to be curious

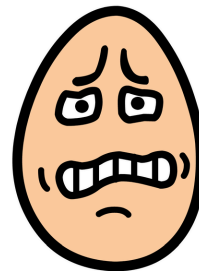

It's okay to think about it

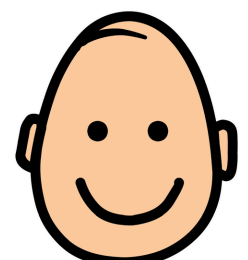

But remember the rules!

Because people get embarrassed

Because people get upset

Just do your best!
