

Everyone has private parts. I do.

Dad and Mom have private parts

All kids have private parts

All grown ups have private parts

My private parts are covered by my underwear

Her private parts are covered by her underwear

My private parts are covered by my swimsuit

Her private parts are covered by her swimsuit

My bottom is a private part of my body

My penis and my testicles are private parts

Her vagina is a private part of her body

Her breasts are a private part of her body

Underwear is private too. I wear clothes

Her bra and panties are private. She wears clothes

Who can see my private parts? Who can see my underwear?

ONLY my parents!
ONLY my doctor!

NO grown-ups!

NO kids or friends!

NO! They can't look!

NO! They can't touch!
