YES
I want to make a difference!

Help fund scholarships for music lessons, music camp or to attend a post-secondary program

Help members of the medical community learn more about WS and the special treatments often required by those with Williams syndrome

Help those with WS secure life-saving procedures provided by WS experts

Help researchers find answers for those with WS that could assist millions of Americans with high blood pressure, anxiety disorders and diabetes

Help individuals with Williams syndrome realize their full potential

Thank you!

Registration: 9:00 am
Walk: 10:00 am

Extraordinary Gifts, Unique Challenges

Visit williams-syndrome.org
Williams syndrome affects more than 20,000 people in the United States. Scientists believe that as many as 25-30% may be undiagnosed or misdiagnosed.

**Williams Syndrome Awareness**

WS occurs randomly and can affect anyone, yet most people have never heard of it. They don’t understand the unique challenges faced by these individuals nor have they experienced their joyful outlooks on life or been given the chance to impact the lives of families affected by Williams syndrome.

Awareness Month activities will help put WS “on the map.” With your help we can educate teachers, inform doctors and share family journeys. Increased awareness will provide a greater opportunity to raise critical funding for research and new programs, and build a greater appreciation and understanding of people with Williams syndrome.

**2015 awareness goals**

- 10,000 participants
- Events in every state
- 20% increase in scholarships

**Los Angeles**

**WALK FOR WILLIAMS®**
