Service and therapy dogs only, please. Photos taken at WSA events are often published on social media websites. If you do not wish to have your child’s photo published on any of the WSA’s social media accounts (national & regional Face-book pages, Twitter, Pentagram, etc.) Please let us know prior to the event by e-mailing: info@williams-syndrome.org or calling 800-806-1871. The WSA does not oversee the publishing of photos, comments, etc., by its members on their personal social media accounts. To all event attendees: if you plan to publish any of your photos personally via social media or photo album sites like Shutterfly, etc. please be sure to get the permission of all families involved prior to posting.
